

# ***AUDLEM & DISTRICT PROBUS CLUB***

## **EVENING VISIT TO FORDHALL ORGANIC FARM**

**WEDNESDAY 20<sup>th</sup> AUGUST at 6:30 pm**

**COST : £14 PER HEAD inc FARM TOUR & SUPPER**

*Fordhall Organic Farm, based in North Shropshire, England has been chemical free for over 65 years. Rearing cattle, sheep and pigs on an outdoor extensive grazing system and being in community-ownership since 2006, Fordhall is now England's first community-owned farm and offers a warm welcome to all.*

A few years ago, Charlotte Hollins came to talk to our Probus Club about the Fordhall Project shortly after its inception. We now have an opportunity to see how the Project has progressed and developed with an evening visit to the farm.

We will meet at 6:30 for a conducted tour of the farm given by Charlotte, lasting up to an hour and a half. It will provide us with the inspiring behind the scenes story of how this historic farm was saved from development by thousands of people across the world. The tour also covers the unique Foggage farming system, organics, volunteering and more.

At the completion of the tour, we will visit the renovated Old Dairy for a cold buffet supper. Please advise me of any dietary requirements. Drinks available at own cost.

*Own transport to Fordhall Organic Farm which is located on the outskirts of Market Drayton. The farm drive is signposted off the A53 between Market Drayton and Tern Hill. It is located adjacent to the Muller Dairy factory.*

*Fordhall Organic Farm  
Tern Hill Road  
Market Drayton  
Shropshire  
TF9 3PS*

Numbers are limited to 40 max.

Sign up on the attached sheet and pay Ron by 24<sup>th</sup> July
