

AUDLEM & DISTRICT PROBUS CLUB

Evening concert given by the Audley Male Voice Choir & the Brighouse & Rastrick Band.

The Brighouse and Rastrick Band is regarded by many as the best and most consistent 'public subscription band' in the world. The band was formed almost 130 years ago through public donations given by the townsfolk of the adjacent villages of Brighouse and Rastrick that face each other across the River Calder in West Yorkshire, England.

Audley Male Voice Choir, was founded in the 1950's by William Bowers and has strong links with the non-conformist and mining traditions of North Staffordshire. Membership has been built up over the years and now eighty or so men from all walks of life enjoy the fellowship and camaraderie that the choir affords. The present conductor, Philip Broadhurst MBE, took over the baton in 1976 and it is largely due to his commitment and dedication that the choir has reached its present strength and quality.
